Playing Rules/ On Course Rules

Rules

2023 USGA Rules are used to govern FT-PHX tournaments. FT-PHX committee maintains the right to set any additional rules (for example, course or condition specific rules).

Check In & Starter Tent Policies

Check In will open 1 hour prior to the first tee time. All players should check in 45minutes—1 hour prior to their tee time.

Players should be to the Starter tent at the first hole no later than 10 minutes before their tee time. At the Starter Tent, players should expect to:

- 1.Meet and greet other players
- 2.Exchange Scorecards with playing partners
- 3.Identify their golf ball to playing partners
- 4.Learn about any local rules

Distance Measuring Devices

Distance measuring devices (range finders or watches) may be used. These devices may not be used to measure slope or access other information.

Pace of Play & Honors

Players are expected to maintain a 2 hour/9 hole pace of play. Groups should be within a hole of the group in front of them. As per USGA rules, groups that fall behind will be warned and given the opportunity to catch up. After two warnings, a 1 stroke penalty will be issued.

Players shall respect Honors (order of play determined by Starter or Tournament Director) for the starting teeing ground (the teeing area at which you start your round). If all players agree, they may play “ready golf” thereafter. If a group falls behind pace of play, they must play ready golf until they are caught up.

Cont. on next page.

Spectator Carts

Spectator carts are available at the discretion of the host golf course. All host rules will apply to cart use. The aforementioned Spectator Guidelines apply to spectators in carts as well.

Playoff Policy

All ties will be broken using the USGA scorecard playoff rules of Matching Scorecards (Also Known as a Scorecard Count-Back) If the tying players have the same score, we will determine the winner based on the score for the last nine holes, last six holes, last three holes and finally the last hole.

Kloenne Cup

The Kloenne Cup is an exciting “Ryder Cup” style, invitational tournament held each January as the culminating event from the previous year's FT-PHX Tour. This event is held in honor of Tim Kloenne, who was a founding member of First Tee – Phoenix and Board Chair from 2001-2016. Tim helped make the organization what it is today. He came out to tournaments and events to root on the participants and tell them how “cool” they are. A “Spirit Award” is given to a player on each team who demonstrates FT Core Values & Key Commitments, is a great teammate, and embodies the spirit of the Kloenne Cup. Tim unfortunately passed away in February of 2022, but his memory lives on in this event!

Rising Star Tournaments

Rising Star Tournament

Rising Star Tournaments are six-hole events held immediately after all FT-PHX Majors. They are a great introduction to our regular tournament schedule. These events are designed to be a short term, developmental option for those interested in playing in our nine-hole tournaments.

Players will be paired with a coach or volunteer to help them along in their first tournament. Parents are NOT allowed to caddy for their participants.

Requirements for participation

- Participants must have their own set of clubs and must be able to walk 6 holes with their clubs. We will not provide clubs or push carts.
- All participants must have their own golf balls, tees, ball marker and divot tool
- Participants must be familiar with the rules of golf and golf etiquette, for example: order of play, how to keep score, etc.
- All participants should be able to shoot double par or better (ex: 8 on a Par 4)
- It is recommended for participants to have prior on course experience

How to sign up

Parents or players can request information from their coaches. Coaches should be able to let you know if your child is ready to play in this event.

Once coaches have approved the participant, please send this information to our tournament team at FTPHXTour@firstteephoenix.org. We will add you to the mailing list so that you receive registration information for the next Rising Star event. Once you receive that email, you will register through the Golf Genius link included in the email. Make sure to register with the participant's information, not the adults. Golf Genius will send you an email confirming your registration or placement on the waitlist.

After you Sign Up

You're signed up– great! You are all set for a few weeks until FT-PHX sends out the next communication regarding the event. You will receive your tee times and more details the Monday or Tuesday prior to the event .

Now that you have some time before the event, this is a great opportunity to read more about how things will work the day of the tournament.... Prior to each Rising Star tournament, we will host a mandatory 30 minute rules overview. The timing of this will be communicated by email along with the participant's tee time.

Plan to arrive at the course 45min-1 hour prior to your tee time. The participant should head to the registration desk and check in. At the desk, players will receive more information on how range balls and lunch will work. Registration will remind them to make sure they are at the starter's tent (FT-PHX tent at hole #1) no later than 10 minutes before their tee time. Range balls and the putting green can be used for warm up–remind your child this is a warm up, not a full practice session!

A FT-PHX team member or volunteer will be there to explain any course rules. The players will meet the other participants they will play with as well as the walking scorers who will be helping their group. We assign one walking scorer to two children.

Moving Up to the First Tee – PHX Tour

Players qualify to move up to our nine hole events after they are approved by a walking scorer. Walking Scorers base this decision on performance and course conduct.

All players will be notified by email the week following the event as to whether they have qualified to move up or if they will remain in Rising Star.
